

# Strong foundation. Consistent community partner.

In today's economic environment, you need a bank you can count on—a strong financial partner with a proven track record in community development. Union Bank has a foundation of nearly 150 years in California and solutions from construction lending to tax credit equity and global treasury management. That adds up to experience that can help you save time and gain flexibility for even the most complex projects. It's a consistent community partnership.

## Community Development Finance
